MEMORY CARD

How have you been touched by ?

I left San Francisco in search of community. I grew up in Bernal Heights (a very close-knit, family-oriented neighborhood). I've noticed that people seem proud and anxious about the changes. The neighbors asked me how I like Oakland. If I miss SF. I told them not really. I notice that cars drive faster and ~~that there's~~ lots of I have to be more careful when I ride.

Today's Date: 5/24/18

Your Neighborhood: E Bushrod

Years in Neighborhood: 2 months
